

PRC NURSE CASE MANAGEMENT

Who is Eligible for PRC Nurse Case Management, and What is Offered?

PRC Nurse Case Management is available to enrolled PRC Coquille Tribal members and spouses living inside the Tribe's five-county service area (Coos, Curry, Jackson, Douglas and Lane).

PRC Nurse Case Management is here to assist PRC members needing help with managing long-term and/or short-term health conditions.

If you have any questions or concerns, please do not hesitate to reach out. We are here to help.

- Help navigate the health care system. Ensure coordination of care, transition of care, and advocacy within the health care system. Referral follow up. Assist with managing appointments.
- Work's closely with PRC and providers to provide best outcomes and access to healthcare benefits.
