

# OTP Opioid Treatment Program

## *A whole-person approach*

to wellness, health, and self-sufficiency through our commitment to a safe, traditional, and culturally meaningful environment.

Medication Assisted Treatment

Trauma-Informed Counseling

Behavioral Therapies

## *From Your Referral to Recovery*

### Our goals are the same:

- Trauma-informed & evidenced-based treatment
- Reduce illicit opioid use
- Reduce opioid-related overdose and death
- Increase public health
- Reduce recovery barriers
- Provide comprehensive care
- Ensure cultural sensitivity
- Promote empowerment & long-term recovery
- Compliance with regulatory standards
